

attempting to reconcile the events and the events surrounding them  
in a way that suggests  
you should not recognize  
what you see  
in the way you see it  
apologists  
fabulists  
scoundrels  
pettifoggers  
deconstructionalizers  
apostates  
false witnesses  
mountebanks  
racketeers  
confidence men  
diddlers  
bunco boys  
and four flushers with dodgy molls  
all of them dismiss a lot by saying

they do not want to get into the weeds over this thing...  
and there it is  
and it did not take long.

well i say  
good luck with  
the expunging  
the relativism  
the shenanigans  
the tomfoolery  
the malarkey  
or the revisionism.

i spent my life  
in a moral vacant lot  
and can confirm that  
a lot of loose things go on in the weeds.

in the weeds.
