

because i do not share the same faith in his beliefs  
he believes i am walking down a path  
sinking into filth and the degradation  
of my soul.

my sense of it is that he has underestimated  
the value of good shoes on bad feet.  
furthermore  
if he was truly perceptive  
he could relax his vigilance.  
i am not walking...  
i am strolling.

lifestyle of the unrepentant.
