

what is more excitable than a newborn hormone.
wet with an arrhythmic harmony
big eyes trying to focus
milk teeth hardening
not waiting to be sharpened by the tribe
ready to go before knowing where to start
facial expression
suitable for the occasion.

 a malcontent
 schoolchild spitting on
 the hallway wall
 its form of a civics lesson

chapter one...
membership. the secret society of animals.

chapter two...
secret knowledge. secret rites.

chapter three...
maintaining a secret presence. fulfilling destiny.
