

play nice.
share.
a thousand platitudes
a thousand temporary fixes
a thousand ways to ease the nice neighborhood
 children through the unpleasant truths.
 not my upbringing
 eugenics
 predation sack races for efficient
 body bagging of the losers.
 nature tours to learn how
 two street cats share the same bird.
they told me all or nothing
 even if the all is nothing at all
 as long as it is yours...
 the hatred makes you safe.

play nice.
