

not only more acceptable  
but the word incontinence  
is shorter to say or write  
than the urine dribbling down your leg  
or the urine leaking gradually into your social setting  
and changing your social status.

no easter whites  
no shipboard white deck shoes

stains stain  
drips drip

resigning your membership to the ku klux klan

hanging up your club polo pants.

giving up on white christmases.

regional aging.
