

rehabilitated nightmares become fairy tales  
when the mind gets right.  
but it is not over  
and certainly not over then.

nightmares hold grudges when you take away  
members of their family  
and they seek revenge  
which is best  
when it is not served cold.

nightmares believe conversion therapy  
denies them the wild side of their truth.

who tells fairytales in the dark.  
who reads fairytales without light.

and finally  
nightmares do not need souls...  
they rent them.
