

missing the point.

an inflated ego

his family tree on the page

divine rulers

nobility

military heroes

clergy

architects and artists

leading thinkers

colonizers

women of culture

people of importance.

turning to me he

expressed in no uncertain contempt

show me yours

i expect it is a rotting stump.

i handed him a sheet of paper with thousands of exploded dots of ink scattered
from the center out.

is this some form of a joke.

with a sense of humility i said no...

if you look a little closer you will see it

is the big bang.

the family tree.
